The competent authorities of the Contracting States shall notify each other of any important changes which have been made in their respective taxation laws.

3. Where by reason of the provisions of paragraph 1, a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident of the State in which its place of effective management is situated.

## **ARTICLE 5**

### **PERMANENT ESTABLISHMENT**

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of the enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

a. a place of management;

b. a branch;

c. an office;

d. a factory;

e. a workshop; and

f. a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.

3. The term "permanent establishment" likewise encompasses:

a. a building site, construction, assembly or installation project or supervisory activities in connection therewith, but only where such site, project or activities continue for a period of more than six months;

b. the furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by the enterprise for such purpose, but only where activities of that nature continue (for the same or a connected project) within the country for a period or periods aggregating more than six months within any 12-month period.

4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

- a. the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
- b. the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
- c. the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
- d. the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information for the enterprise;
- e. the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character, and
- f. the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned Contracting State in respect of any activities which that person undertakes for the enterprise, if such a person:

- a. has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph; or
- b. has no such authority, but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise.

6. Notwithstanding the preceding provisions of this Article, an insurance enterprise of a Contracting State shall, except in regard to re-insurance, be deemed to have a permanent establishment in the other Contracting State if it collects premiums in the territory of that other State or insures risks situated therein through a person other than an agent of an independent status to whom paragraph 7 applies.

7. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business. However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise, he will not be considered an agent of an independent status within the meaning of this paragraph.

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

**ARTICLE 6**  
**INCOME FROM**  
**IMMOVABLE PROPERTY**

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.
2. The term "immovable property" shall have meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats, aircraft and road-transport vehicle shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

**ARTICLE 7**  
**BUSINESS PROFITS**

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to:
  - a. that permanent establishment;
  - b. sales in that other State of goods or merchandise of the same or similar kind as those sold through that permanent establishment.
2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.
3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the business of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission, for specific services performed or for management, or,

except in the case of a banking enterprise, by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken, in the determination of the profits of a permanent establishment, for amounts charged (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission for specific services performed or for management, or, except in the case of banking enterprise by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude such Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

## **ARTICLE 8 INTERNATIONAL TRANSPORT**

1. Profits derived by an enterprise of a Contracting State from the operation of ships, boats, aircraft or road-transport vehicles in international traffic shall be taxable only in that Contracting State.

2. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

## **ARTICLE 9 ASSOCIATED ENTERPRISES**

Where

a. an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

b. the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by the reason of those

conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

## **ARTICLE 10 DIVIDENDS**

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State, may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the recipient is the beneficial owner of the dividends, the tax so charged shall not exceed 10 per cent of the gross amount of the dividends.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other Contracting State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

## **ARTICLE 11 INTEREST**

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of

such interest the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

3. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or a fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

## **ARTICLE 12 ROYALTIES**

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the recipient is the beneficial owner of such royalties, the tax so charged shall not exceed 10 per cent of the gross amount of the royalties.

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience.

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, or a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

### **ARTICLE 13 GAINS FROM THE ALIENATION OF PROPERTY**

1. Gains from the alienation of immovable property, as defined in paragraph 2 of Article 6, may be taxed in the Contracting State in which such property is situated.

2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing independent personal services, including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise) or of such fixed base, may be taxed in that other State.

3. Gains derived by a resident of a Contracting State from the alienation of shares or comparable interests in a company, the assets of which consist wholly or principally of immovable property situated in the other Contracting State, may be taxed in that other State.

4. Gains from the alienation of ships, boats, aircraft or road-transport vehicles operated by an enterprise of a Contracting State in international traffic, or movable property pertaining to the operation of such ships, boats, aircraft or road-transport vehicles shall be taxable only in that State.

5. Nothing in this Agreement affects the application of a law of a Contracting State relating to the taxation of gains of a capital nature derived from the alienation of property other than that to which any of the preceding paragraphs of this Article apply.

**ARTICLE 14**  
**INDEPENDENT PERSONAL**  
**SERVICES**

1. Income derived by a resident of a Contracting State in respect of professional services or other activities of an independent character shall be taxable only in that State unless he has a fixed base regularly available to him in the other Contracting State for the purpose of performing his activities. If he has such a fixed base, the income may be taxed in the other State but only so much of it as is attributable to that fixed base.
2. The term "professional services" includes especially independent scientific, literary, artistic, educational or teaching activities as well as the independent activities of physicians, lawyers, engineers, architects, dentists and accountants.

**ARTICLE 15**  
**DEPENDENT PERSONAL**

1. Subject to the provisions of Articles 16, 18, 19 and 21, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.
2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if the following conditions are met at the same time:
  - a. the recipient is present in the other State for a period or periods not exceeding in the aggregate 183 days in any twelve month period, and
  - b. the remuneration is paid by, or on behalf of, an employer who is not a resident of the other State, and

2. Where income in respect of personal activities exercised by an entertainer or a sportsman in his capacity as such accrues not to the entertainer or sportsman himself but to another person, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in the Contracting State in which the activities of the entertainer or sportsman are exercised.
3. Notwithstanding the provisions of paragraphs 1 and 2, income mentioned in this Article shall be exempt from tax in the Contracting State in which the activity of the entertainer or sportsman is exercised provided that this activity is supported in a considerable part out of public funds of this State or of the other State or the activity is exercised under a cultural agreement or arrangement between the Contracting States.

**ARTICLE 18**

    - (i) is a national of that State; or

In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

**ARTICLE 23**  
**METHODS FOR ELIMINATION**  
**OF DOUBLE TAXATION**

1. In Vietnam, double taxation shall be eliminated as follows:

Where a resident of Vietnam derives income, profits or gains which under the law of Hungary and in accordance with this Agreement may be taxed in Hungary, Vietnam shall allow as a credit against its tax on the income, profits or gains an amount equal to the tax paid in Hungary. The amount of credit, however, shall not exceed the amount of the Vietnamese tax on that income, profits or gains computed in accordance with the taxation laws and regulations of Vietnam.

2. In Hungary, double taxation shall be eliminated as follows:

a. Where a resident of Hungary derives income which, in accordance with the provisions of this Agreement, may be taxed in Vietnam, Hungary shall, subject to the provisions of subparagraphs (b.) and (c.), exempt such income from tax.

b. Where a resident of Hungary derives items of income which, in accordance with the provisions of Article 10, 11 and 12, may be taxed in Vietnam, Hungary shall allow as a deduction from the tax on the income of that resident an amount equal to the tax paid in Vietnam. Such deduction shall not, however, exceed that part of the tax, as computed before the deduction is given, which is attributable to such items of income derived from Vietnam.

c. Where in accordance with any provision of the Agreement income derived by a resident of Hungary is exempt from tax in Hungary, Hungary may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

d. For the purpose of sub-paragraph 2(a.) of this Article, the income tax paid in Vietnam by a resident of Hungary in respect of business profits earned through a permanent establishment situated in Vietnam shall be deemed to include any amount of tax which would have been payable as Vietnamese tax for any year but for an exemption from or a reduction of tax granted for that year or any part thereof as a result of the application of the provisions of Vietnamese law designed to extend time limited tax incentives to promote foreign investment for development purposes.

e. For the purpose of sub-paragraph 2(b.) of this Article, the tax paid in Vietnam on royalties to which paragraph 2 of Article 12 applies shall be deemed to be 15 per cent of the gross amount of such royalties.

## **ARTICLE 24 NON-DISCRIMINATION**

1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Except where the provisions of Article 9, paragraph 6 of Article 11 or paragraph 6 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of

determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

5. The provisions of paragraphs 2 and 4 of this Article shall not apply to the Vietnamese profit remittance tax, which in any case shall not exceed 10 per cent of the gross amount of profits remitted, and the Vietnamese taxation in respect of agricultural production activities, provided that the taxation of residents of Hungary so determined shall not be more burdensome than the taxation of residents of any third State.

6. Nothing contained in this Article shall be construed as obliging either Contracting State to grant to individuals not resident in that State any of the personal allowances, reliefs and reductions for tax purposes which are granted to individuals so resident.

7. The provisions of this Article shall apply only to the taxes which are the subject of this Agreement.

8. Notwithstanding the provisions of this Article, for so long as Vietnam continues to grant to investors licenses under the Law on Foreign Investment in Vietnam, which specify the taxation to which the investor shall be subjected, the imposition of such taxation shall not be regarded as breaching the terms of paragraphs 2 and 4 of this Article, provided that the taxation of residents of Hungary so determined shall not be more burdensome than the taxation of residents of any third State.

## **ARTICLE 25 MUTUAL AGREEMENT PROCEDURE**

1. Where a person who is a resident of a Contracting State considers that the actions of the competent authority of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which the person is a resident or, if his case comes under paragraph 1 of Article 24, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with this Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic laws of the Contracting States.

3. The competent authorities of the Contracting States shall jointly endeavour to resolve any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

## **ARTICLE 26 EXCHANGE OF INFORMATION**

1. The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by the Agreement insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State. However, if the information is originally regarded as secret in the transmitting State, it shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

2. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

- a. to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- b. to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- c. to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

## **ARTICLE 27 DIPLOMATIC AGENTS AND CONSULAR OFFICERS**

Nothing in this Agreement shall affect the fiscal privileges of diplomatic agents or consular officers under the general rules of international law or under the provisions of special agreements.

## **ARTICLE 28 ENTRY INTO FORCE**

1. The Contracting States shall notify each other that their constitutional requirements for the entry into force of this Agreement have been complied with.
2. This Agreement shall enter into force on the date of the latter of the notifications referred to in paragraph 1 and its provisions shall apply:

a. in respect of taxes withheld at source, to amounts of income derived on or after 1 January in calendar year next following the year in which the Agreement enters into force;

b. in respect of other taxes on income, to such taxes chargeable for any taxable year beginning on or after 1 January in the calendar year next following the year in which the Agreement enters into force.

## **ARTICLE 29 TERMINATION**

This Agreement shall remain in force until terminated by one of the Contracting States. Either Contracting State may terminate the Agreement, through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year following after the period of five years from the date on which the Agreement enters into force. In such event, the Agreement shall cease to have effect:

(i) in respect of taxes withheld at source, to amounts of income derived on or after 1 January in the calendar year next following the year in which the notice is given;

(ii) in respect of other taxes on income, to such taxes chargeable for any taxable year beginning on or after 1 January in the calendar year next following the year in which the notice is given.

IN WITNESS WHEREOF the undersigned, being duly authorized thereto, have signed this Agreement.
