CHAPTER ONE	
GENERAL ISSUES OF CPTPP	9
1 What is CPTPP?	10
2 The difference between the CPTPP and TPP?	11
3 The CPTPP has been signed, what's next?	14
4 When does the CPTPP take effect?	15
5 Is it possible that the number of CPTPP members be changed in the future?	17
6 How is the CPTPP implementation monitored?	18
7 Vietnam has both CPTPP and its own agreements with some CPTPP partners. How will it be resolved?	20
8 In which cases can Vietnam ignore/not comply with the commitments in the CPTPP?	21
CHAPTER TWO	
TARIFF AND MARKET ACCESS FOR GOODS	23
i. Tariffs and rules of origin for preferential tariff treatment	24
9 How do CPTPP countries give tariff preferences to each other's goods?	24
10 Instructions for understanding the tariff commitments in the CPTPP	26
11 Is it true that CPTPP will eliminate all tariffs on Vietnamese goods when exported to CPTPP countries?	29
12 Is it true that with the CPTPP, Vietnam will have to immediately eliminate tariffs on goods imported from other CPTPP countries?	34
13 Does Vietnam impose tariff on products imported under specific categories (temporarily imported, import after export for repair...)?	36
14 Is it true that tariff on IT products will be eliminated entirely?	37
15 Is it true that export duties will be eliminated entirely once CPTPP takes effect?	38
ii. Rules of origin	39
16 Why are the rules of origin so important?	39
17 What kind of goods are considered having CPTPP rules of origin?	41
18 What are originating and non-originating materials under the CPTPP?	43
19 What is the Code Transfer of Commodity (CTC) in the CPTPP? Are there any exceptions?	44
20 What are the differences between Rules of Regional Value Content (RVC) in CPTPP and other FTAs of Vietnam?	46
21 How is the processing step rule specified in the CPTPP?	48
22 Under the CPTPP, does each product have to meet its own rule of origin or are there different rules that can be applied at the same time?	49

23	What flexible provisions does CPTPP have for “sets of goods” containing a small portion of goods not meeting rules of origin?	50
24	What are the rules of origin for Remanufactured Good?	51
25	What is special about origin procedures in the CPTPP?	52
26	Does certificates of origin in the CPTPP has a specific format?	54
27	What are the special cases of certificates of origin?	55
28	Can importers submit a certificate of origin to claim preferential tariff treatment after the goods have been imported?	56
iii. Textile and Apparel Goods		57
29	Why does CPTPP have a separate Chapter on Textiles?	57
30	What are rules of origin applied to textiles in the CPTPP?	59
31	Is there any textile products not satisfying the “yarn-forward” rules of origin and still considered CPTPP originating?	60
32	What are the special safeguard measures for textile?	62
iv. Non-tariff measure (trade defense, TBT, SPS...)		63
33	Does the CPTPP prohibit the use of non-tariff measures?	63
34	After the CPTPP comes into effect, will Vietnam be allowed to prohibit or restrict other imports and exports?	64
35	After the CPTPP comes into effect, will Vietnam remove the import licensing mechanism?	66
36	Can Vietnam give priority to domestic goods over imports from non-CPTPP countries?	67
37	Can Vietnam support agricultural products after the CPTPP comes into effect?	68
38	Has the CPTPP changed the mechanism for State-owned trading enterprises in agricultural exports in Vietnam?	69
39	After CPTPP, how have trade defense measures changed?	70
40	After CPTPP, are there any changes in the anti-dumping and anti-subsidy cases?	72
41	What regulations does CPTPP have on technical barrier to trade (TBT) and sanitary and phytosanitary measures (SPS)?	73
42	New TBT commitments of CPTPP in comparison with WTO?	75
43	New SPS commitments of CPTPP in comparison with WTO?	77
CHAPTER THREE		
CROSS-BORDER TRADE IN SERVICES, INVESTMENT AND MOVEMENT OF NATURAL PERSONS		81
i. Cross-border services		82
44	Where is the commitment on service stated in CPTPP?	82
45	Which cross-border service sectors will be adjusted by the CPTPP?	84
46	What standards does CPTPP require members to apply in treating foreign service providers?	86
47	What are non-conforming measures in CPTPP, what are their meanings?	88

ii. Investment	91
48 Which standards does CPTPP require member countries to apply in the treatment of foreign investors?	91
49 Reservations and exceptions in CPTPP in the treatment of foreign investors?	95
50 Does the CPTPP ensure the rights of domestic investors similar to foreign investors?	97
51 Do CPTPP investors have the right to sue Vietnam?	99
52 What are the significant differences between CPTPP and previous commitments on ISDS?	101
53 According to the CPTPP, which investors have the right to sue the State? Which State division can be sued? What can be sue for? How long is the term?	102
54 What are rules for dispute settlement procedures between the State and investors?	105
iii. Movement of natural persons – Temporary entry of particular workers	
55 Does the CPTPP have any regulations on opening the labor market?	107
56 In CPTPP, is Vietnam more open to foreign labour than the WTO?	107
57 What are the benefits for Vietnamese workers in the commitment of opening up the labour market under the CPTPP?	109
	112
CHAPTER FOUR	
GOVERNMENT PROCUREMENT AND STATE-OWNED ENTERPRISES	
i. Government procurement	113
58 Is it true that every procurement using State budget has to open to foreign investors from CPTPP countries?	114
59 Which general principles do Tendering packages subject to Procurement chapter of CPTPP have to comply with?	114
60 Besides general principles, what requirement does CPTPP have on each procurement format?	119
	121
ii. State-owned enterprises (SOE)	
61 Is it true that every SOE has to comply with SOE regulations in CPTPP?	124
62 What principles do SOE covered by the CPTPP have to comply with?	124
63 What principles does government have to comply with when managing and controlling SOE covered by CPTPP?	127
64 Transparency obligations on SOE information?	129
	132
CHAPTER FIVE	
INTELLECTUAL PROPERTY	135
65 What does CPTPP cover on intellectual property?	136
66 What are CPTPP standards of protection for trademarks?	138
67 What are CPTPP requirements for geographical indications?	140
68 What are CPTPP regulations on classification of the rights of protection according to geographical indications and trademarks?	141
	142
69 What new provisions does the CPTPP have on criteria and objects for patent protection?	
70 What are exceptions to patent owner exclusive rights in the CPTPP?	

71	What are CPTPP requirements on patent registration procedures?	145
72	What is CPTPP particular protection on agricultural chemical products?	146
73	What is CPTPP particular protection on pharmaceutical products?	147
74	What are standards regulated by CPTPP on copyright and related rights protection?	149
75	What regulations does CPTPP have on acts as basis for violation of copyright and related rights?	150
76	What requirements does CPTPP have on industrial designs protection?	151
77	What requirements does CPTPP have on the implementation of IP right?	152
78	What regulations does CPTPP have on criminal penalties on IP rights violation?	155
79	What are implementation measures for some IP rights in software, satellite programming, network environment sectors?	158
	CHAPTER SIX	
	LABOUR AND ENVIRONMENT	159
i.	Labour	160
80	What are the obligatory labour standards of the CPTPP?	160
81	What labour commitments do Vietnam have with partners?	161
82	Other labour commitments in CPTPP?	163
83	How are disputes on the enforcement of Labour Chapter handled?	164
ii.	Environment	165
84	General commitments on environment in CPTPP?	165
85	Specific commitments on environment in CPTPP?	167
	CHAPTER SEVEN	
	COMPETITION, E-COMMERCE, SMALL AND MEDIUM ENTERPRISES	169
86	What is notable about CPTPP commitments on competition policy?	170
87	What issues on e-commerce are regulated in CPTPP?	171
88	What regulations does CPTPP have on rights of parties in e-commerce?	173
89	What commitments does CPTPP have on SME?	175
	CHAPTER EIGHT	
	TRANSPARENCY, ANTI-CORRUPTION AND DISPUTE SETTLEMENT	177
90	Participating in the CPTPP, what transparency obligations must Vietnam fulfill?	178
91	Participating in the CPTPP, what anti-corruption obligations must Vietnam fulfill?	180
92	If a CPTPP country does not comply with the CPTPP commitments, can other countries initiate a lawsuit? According to which procedure?	182
